Topics Include:

HR Law Update

What areas should employers look out for? What are the hot issues as we close out 2011? **Kerri Reisdorff** will provide her annual update on timely topics.

Managing Unemployment Costs

In this volatile economy, states are looking for money wherever they can find it, and unemployment taxes are rising. **Kerri Reisdorff** will provide suggestions on how employers can manage these costs.

Year-End Payroll Update

Each year, we provide you with important information about regulations that have changed and things you should be sure are on your "to do list" for year-end planning.

Leta Collie will again provide this annual update from the Mize Houser Technical Tax Services Department.

Protecting Your IT Assets

Kevin Pelton is the shareholder in charge of Mize Houser's IT practice. His presentation will guide employers on ways to mitigate risks to their IT systems and networks, including ways to thwart phishing attempts, tips on creating more secure passwords, and employee training. He will also cover business continuity planning and disaster recovery topics.
